HELPING TURN PAPER INTO PROFIT

MSP BeDazzle™ Gloss Pressing Sheet

Product Information Bulletin

Product Description:

MSP BeDazzle™ Gloss Pressing Sheets are overlay pressing sheets used with MSP inkjet transfer papers for light and dark garments to produce a transferred image with a shiny, high-gloss look.

Product Benefits:

- Produces a Shiny, High Gloss, Photographic Look
- Use with any MSP Inkjet Light or Dark Transfer Paper
- Exceptional when used on Black or other Dark Garments

Product Applications:

MSP BeDazzle™ Gloss Pressing Sheets are used when a shiny, high-gloss finish is preferred. They are exceptionally effective when used on black and other dark garments producing a high gloss, photographic look on finished transfers. Use MSP BeDazzle in place of parchment pressing paper on any inkjet dark transfer paper and as a second step, after transferring with any inkjet light transfer papers.
