Budget is a key consideration when making an initial investment on equipment and should be thought of carefully. The MAXX™ Cap and Clam provide the best value for a durable press with a budget-friendly price tag. The Hotronix® Auto-Open heat presses provide a few more bells and whistles to help make printing life easier. This comparison chart helps you review key features side-by-side so you can determine which heat press is the best choice for your business.

Press Warranties

- HOTRONIX Press: Lifetime on heating element, 5 years on framework, 2 years on circuit board, 1 year parts and labor.
- MAXX Press: Lifetime on heating element, 1 year parts and labor.
